

Roll em' Play em': Activity dice

How it works:

Roll both activity dice to mix and match fun games and challenges for all to do.

How to assemble:

- 1) Print and cut the shape
- 2) Fold into cube shape
- 3) Glue or tape the flaps to secure the dice

NOTE:

Do remove any hazardous objects and loose furniture that might endanger you or get in the way. Suggested activities are suitable for kids aged 6 years and above.

Roll em' Play em': Activity dice

How it works:

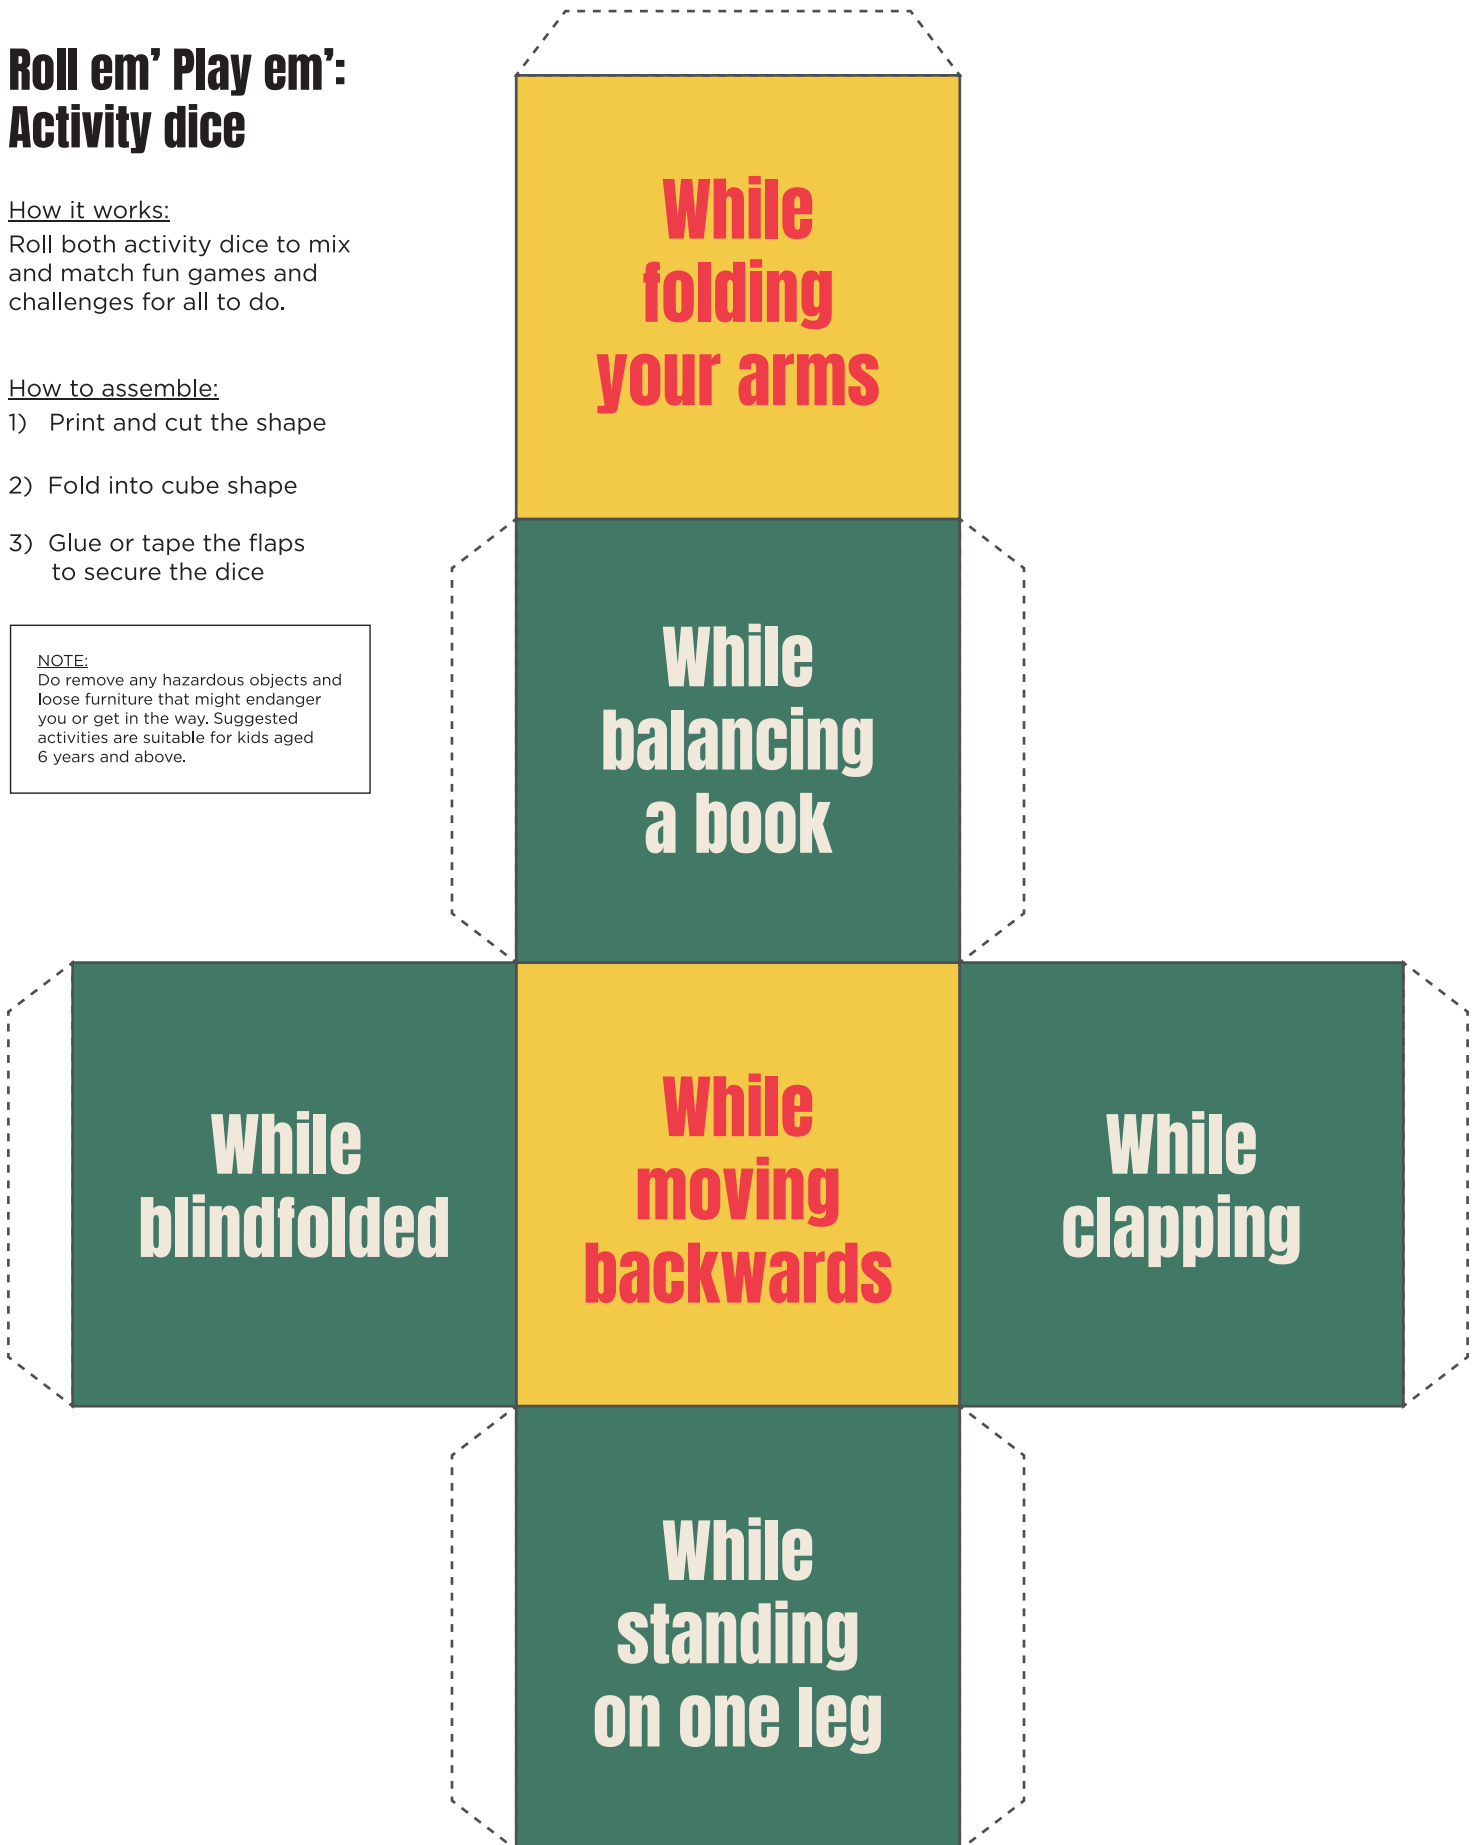

Roll both activity dice to mix and match fun games and challenges for all to do.

How to assemble:

- 1) Print and cut the shape

Roll em' Play em': Activity dice

How it works:

Create your own activity dice by filling in all 6 sides with your favourite games and challenges. Then roll and play away!

How to assemble:

- 1) Print and cut the shape
- 2) Fold into cube shape
- 3) Glue or tape the flaps to secure the dice
- 4) Write a different activity on all the six sides of the cube

NOTE:

Do remove any hazardous objects and loose furniture that might endanger you or get in the way.
