HPB Fitness Tracker Exchange FAQs

If I have multiple HPB fitness trackers from different seasons, which HPB fitness tracker is eligible for exchange?

This special round of fitness tracker exchange facilitates participation in the Bonus Round and other National Steps Challenge™-related activities. Participants may exchange any faulty HPB-issued tracker (including those with broken straps) that were distributed between National Steps Challenge™ Season 1 and Season 5. The replacement HPB fitness tracker model will be solely decided by HPB and participants will not be able to choose the fitness tracker model they receive during the exchange.

Can I exchange more than 1 faulty HPB fitness tracker in a single appointment slot?

No, each appointment slot only allows you to exchange 1 faulty HPB fitness tracker.

Can I do a HPB fitness tracker exchange on behalf of someone else (e.g. elderly parents)?

Yes, exchanges on behalf are allowed. You will need to make a separate appointment booking per tracker exchange (i.e. if you are exchanging faulty HPB trackers for yourself and 2 elderly parents = 3 faulty HPB trackers, you will need to make 3 appointment bookings in total). For a tracker exchange on behalf of someone else, you will be required to bring along the following for your HPB tracker exchange appointment:

- *The original/copy of your valid photo ID/ NRIC*
- *The original/copy of a valid photo ID/ NRIC of the HPB tracker owner*
- *The faulty HPB fitness tracker/s to be exchanged*
- *The appointment booking confirmation*
- *A smartphone with the Healthy 365 app installed. You will be required to log in to the Healthy 365 account of the person you are making the exchange for on your smartphone. Please log in to their account in advance or ensure you are able to obtain the login SMS OTP from the other person during the tracker exchange*

HPB Fitness Tracker Exchange FAQs

What do I do if my newly exchanged HPB fitness tracker is still faulty?

We have strict quality control measures to ensure that our HPB fitness trackers are functioning. However, if your newly exchanged HPB fitness tracker is faulty, you may book a new appointment for a tracker exchange and bring your newly exchanged HPB fitness tracker to the appointment. Do note that exchanges under such circumstances will be assessed on a case-by-case basis.

If I exchange my faulty fitness tracker, will I still be eligible to collect the new HPB trackers in the upcoming National Steps Challenge™ Season 6?

Exchanging a faulty fitness tracker will not affect your eligibility to collect a Season 6 fitness tracker. The collection eligibility for Season 6 will be announced at a later date.
