General Guidelines

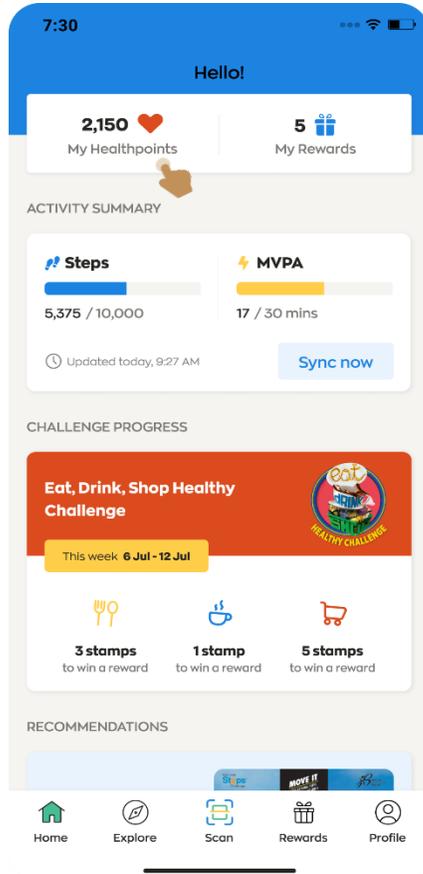

- a) Follow the on screen instructions to redeem Healthpoints (HP) for rewards and use eVouchers
- b) Healthpoints do expire! Opt in and setup auto redemption of your expired HP for your preferred reward.
(Note: TransitLink will require a minimum of 150HP and once redeemed, you will need to top up your card at a TransitLink kiosk machine or TransitLink office.)
- c) For redemption of TransitLink “eVouchers”, you would be required to proceed to the nearest TransitLink top-up kiosk or TransitLink office to top up the value into your registered card within 30 days.
- d) Read the terms of use stated for each eVoucher, and activate to use the eVoucher only when you are ready to make a purchase. (Note: Brighten your screen to enable ease of scanning.)
- e) HPB eVouchers can be used at a range of merchants (e.g. F&B, retail, lifestyle, malls and supermarkets). Refer to the list of participating merchants found under the details of HPB eVoucher on the Healthy 365 app.
- f) HPB Credit\$ can be used at a selected merchants on the NETS QR network. Refer to the list of participating merchants’ locations under the details of HPB Credit\$ on the Healthy 365 app.
