

Got 10 minutes? Fold Rush

1. Build your folding station using an old cardboard box.

What you'll need:

Old cardboard box

Tape

Scissors

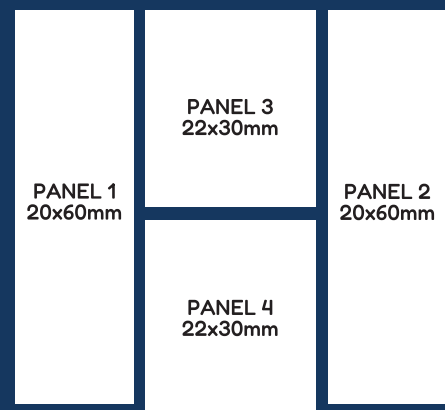

or

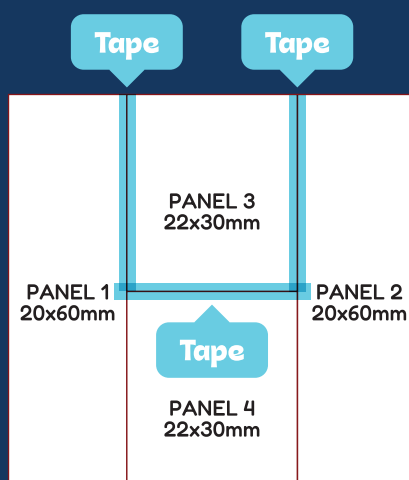

Craft knife

(Adult supervision required)

2. Cut the cardboard into 4 panels according to the sizes below, then arrange them as shown:

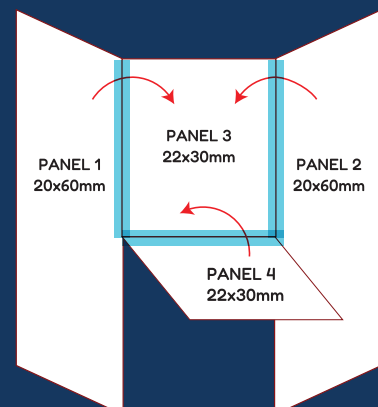

3. Tape the sides of Panels 1, 2 and 3 together so they can fold inwards.

4. Race to see who can fold and sort the laundry pile the fastest.

- Place a shirt face down on the folding guide.
- Fold Panel 1 inward.
- Fold Panel 2 inward.
- Fold Panel 4 upward to complete the fold.
- Lift the shirt to reveal how it's neatly folded.

Stack up your finished pieces and crown the Fold Rush champion!
